

LCP Easy Pay

Enroll today and receive a \$5.00 credit on your next bill (new enrollees only).

LCP Easy Pay is an electronic funds transfer program that's designed to make it more convenient for you to pay your power bill. With LCP Easy Pay, your payments are automatically deducted from your checking account or credit card on the due date each month. The program is convenient and free for co-op members. With LCP Easy Pay your account will be billed as usual and the due date will remain the same.

Enrollment for LCP Easy Pay automatic payment option can be done by visiting our website at lakecountrypower.coop. Register with Ebill, which is found on your home page and follow the simple instructions.

By signing below, I understand how the LCP Easy Pay plan works and would like Lake Country Power to begin electronic withdrawals from my account at the financial institution I have named in my application for electronic payments. In addition to authorizing Lake Country Power, I authorize my named financial institution to charge those withdrawals from my account. Both Lake Country Power and my financial institution have the right to cancel my use of electronic payments and this agreement will remain in effect until I give my intent to withdraw in writing to Lake Country Power.

This authorization will be in effect until written notice is given to either party and Lake Country Power must be given a reasonable time to discontinue my participation.
