

## **Lake Country Power Les Beach Memorial High School Scholarship Program**

### **High School Scholarship Eligibility & Application Guidelines**

Lake Country Power scholarships are offered to graduating high school seniors who will be continuing their education. The following criteria will be used when selecting students:

- Applicant must be a high school senior scheduled to graduate in the spring of the current school year.
- Must register as a full-time college or vocational-technical school student (minimum: 12 credits per semester.)
- Applicant must have a High School Grade Point Average of 2.5 or higher.
- Student, parent or guardian must be an active member of Lake Country Power (they receive electricity from the cooperative).
- Applicant must submit an essay referencing goals and future plans. Describe why you should receive the award or other relevant information that you'd like the selection committee to know.
- Applicant must demonstrate a commitment to community through active involvement in civic affairs or volunteerism in community organizations or programs that enhance the quality of life for the citizens of our region.
- Applicant must complete the application, submit an essay, and provide two letters of recommendation (from a counselor, teacher, coach, high school administrator, mentor or community leader).
- Application form must be completed in full, and include any required attachments. Entries that do not meet application deadlines will not be considered.
- A copy of the applicant's high school transcript, including senior year's first semester must be provided.
- The applicant agrees that if awarded a scholarship, his/her name and photo may be used in various communication channels by Lake Country Power.
- Awards will be made to recipients in August and January. Proof of enrollment in an accredited school is required for award payment.
- Decision of Scholarship Committee is final.
