Member Information:

Name: _____ Electric account #: _____

Address: _____

City: _____ State: _____ Zip: _____ Phone Number: _____

I certify that the EV charger for which I am claiming a rebate is a qualifying appliance/device and that it has been installed at the address listed above and that this address represents a valid cooperative account.
I acknowledge that a one (1) year commitment to an LCP load management program is required for rebate eligibility. The rebate dollars will be charged back to the member, should the member elect to come off the program, prior to completing the (1) year commitment.

Signature: _____ Today's date: _____

Equipment Information:

EV Manufacturer: _____ Year: _____ Model #: _____

Charger Manufacturer: _____ Model #: _____

If self wiring an electrical inspection is required: www.dli.mn.gov

Rebates are available for the purchase of an EV Car Charger on or after February 1, 2024. The EV Car Charger must be installed where electricity is supplied by Lake Country Power. Rebate submittal must follow the guidelines as listed above. Lake Country Power is not responsible for inaccurate information supplied by a contractor or installer. Rebate program is subject to change or cancellation without notice. Call Lake Country Power at 800-421-9959 to verify rebate program status. Please allow 4-6 weeks for processing. ***Rebate will be applied as credit to electric account.**

An EV Car Charging station purchased from Energy Wise MN store / energywisemn.com receive an instant rebate at time of purchase and are ineligible to apply for this additional rebate.
