Rebates are available only for the purchase of new ENERGY STAR® rated products purchased on or after January 1, 2018. The products must be installed where electricity is supplied by Lake Country Power. Rebate submittal must follow the guidelines as listed above. Lake Country Power is not responsible for inaccurate information supplied by appliance dealers. Rebates will be issued only for products on the current list of ENERGY STAR® rated products as of the purchase date. ENERGY STAR® occasionally removes products from qualifying lists, and Lake Country Power will not rebate products that have been delisted as of the purchase date or are mislabeled as ENERGY STAR®. To verify ENERGY STAR® certification for appliances and lighting, visit www.energystar.gov or call 1-888-STAR-YES. To verify ENERGY STAR® certification for ductless air source heat pumps, visit <http://www.ceedirectory.org/ceedirectory>. Rebate program is subject to change or cancellation without notice. Please allow up to 4 weeks for processing. Rebate will be applied as credit to account.
